

“In a recent powder room project, the owner chose a beautiful ungrouted flat river rock feature wall, stacked floor to ceiling,” says Julee Wray.

Elements of Style

“Pick a theme, color, and feeling that speaks to you and your home. If you love something, it never goes out of style.”

12 Modern Powder Room Ideas With Major Wow Factor

BY PAULETTE PEARSON / UPDATED OCTOBER 21, 2022

The new era of powder rooms is brimming with designs that prioritize bold statements over conservative choices. We asked industry pros to share modern powder room ideas to help inspire spaces that both you and your guests won't soon forget. With exquisitely veined marble, dark saturated paint, statement-making wallpapers and more, these jewel-box baths prove that oftentimes the smallest of rooms can have the biggest impact.
